statement of reasons

As part of the new residential development to the north of the A3125, waiting restrictions are being introduced to prevent parking on the highway to allow for access to the development and prevent obstruction.

The restrictions are proposed to avoid danger to persons or other traffic using the road or for preventing the likelihood of any such danger arising, for facilitating the passage on the road or any other road of any class of traffic (including pedestrians) and to preserve/improving the amenities of the area through which the roads run.
