### **Statement of Reasons**

It is proposed to relocate the existing prohibition on Gratton Way to Old Torrington Road to better manage traffic in the area due to new housing developments.

The restrictions are proposed to avoid danger to persons or other traffic using the road or for preventing the likelihood of any such danger arising, for facilitating the passage on the road or any other road of any class of traffic (including pedestrians) and to preserve/improving the amenities of the area through which the roads run.
