Statement of Reason

As part of the A382 Improvement Scheme, the A382 has recently been widened and realigned and streetlights added on a section of the A382 from the new roundabout at the junction of Ringslade Road to Forches Cross Road. It is proposed to introduce a derestriction order on this section of road to maintain the national speed limit on this street lit section.

The existing 30mph speed limit coming out of Newton Abbot has been extended by approximately 159 metres as an interim design for the next phase of improvements which will include connecting West Golds Way by the hospital to the newly widened A382.

In addition, the 30mph speed limit has been extended out on Ringslade Road from Highweek Village to improve road safety in the area.

Specifically, the order will facilitate the passage on the road of any class of traffic (including pedestrians) and will preserve or improve the amenities of the area which the road runs through.
