Statement of Reasons

Following a safety review of the roundabout at Sweetbrier Road and Whipton, it is proposed to introduce two road humps to improve safety for pedestrians crossing and calm traffic.

It is also proposed to make changes around the Georges Close and Whipton Lane junction to calm traffic and improve safety for cyclists. This includes the introduction of No Waiting At Any Time on the south-east side of Whipton Lane, the revocation of No Waiting At Any Time around the junction of Georges Close and Whipton Lane that will be replaced by a new build out and road hump across Whipton Lane.

The restrictions are proposed to avoid danger to persons or other traffic using the road or for preventing the likelihood of any such danger arising and for facilitating the passage on the road or any other road of any class of traffic (including pedestrians).
