Statement of Reasons

A new junction is being constructed to create a new junction on the A361 to the east of Gornhay Cross and it is proposed to extend the clearway on the A361 to include the new slip roads and bridge.

The restrictions are proposed for facilitating the passage on the road or any other road of any class of traffic (including pedestrians), for preventing damage to the road or to any building on or near the road and for preserving or improving the amenities of the area through which the road runs.
