**Statement of Reasons**

It is proposed to extend the speed limit on Hayne Lane and Devonshire Road to tie in with the additional street lighting erected as part of the nearby development route and to update the descriptions for the existing speed limit.

Specifically, the restrictions are proposed to avoid danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising, will facilitate the passage on the road of any class of traffic (including pedestrians) and will preserve or improve the amenities of the area which the road runs through.
