Statement of Reasons

To better manage local congestion, through traffic movement and rationalise parking on Exwick Road, it is proposed to remove the existing 20mph limit on the road and introduce new and amended waiting restrictions in the Exwick Villas area.

In addition, it is proposed to amend and extend the 20mph restriction on Station Road to manage traffic speeds in the vicinity of the park, road hump, parallel crossing and narrow footways over the river.

The restrictions are proposed to avoid danger to persons or other traffic using the road or for preventing the likelihood of any such danger arising, for facilitating the passage on the road or any other road of any class of traffic (including pedestrians) and to preserve/improving the amenities of the area through which the roads run.
