statement of reasons

The restrictions are being proposed following planning permission which was granted in February 2022 for a new Lidl foodstore on the former Pinbrook Court site at the junction of Pinhoe Road and Venny Bridge. Development of the site will see the existing Pinhoe Road/Venny Bridge junction replaced by a signal controlled junction including widening of Pinhoe Road adjacent to the new foodstore. As part of the junction changes, it is proposed to update the No Waiting At Any Time in Venny Bridge to match the new access. The lines in Pinhoe Road will be amended to match the new road width.

The restrictions are proposed for facilitating the passage on the road or any other road of any class of traffic (including pedestrians) and for preserving or improving the amenities of the area through which the road runs.
