Statement of reasons

It is proposed to introduce a Toucan Crossing on the A39 east of Roundswell Roundabout to provide safe crossing to the development south of the road. To facilitate the crossing, it is proposed to lower the speed limit to 40mph on the eastern, western and southern approaches to the roundabout.

The order will facilitate the passage on the road of any class of traffic (including pedestrians) and will preserve or improve the amenities of the area which the road runs through.
