Statement of Reasons

This link road was constructed to maintain access to various properties whilst Long Lane was closed for improvement works. When these works are complete it is proposed to introduce a Bus Gate to restrict traffic to only cycles and buses to create a quiet and safer route for walking and cycling and to encourage the use of sustainable modes of transport. To ensure buses can use this road it is proposed to introduce No Waiting At Any Time.

The restrictions are proposed to avoid danger to persons or other traffic using the road or for preventing the likelihood of any such danger arising, for facilitating the passage on the road or any other road of any class of traffic (including pedestrians) and to preserve/improving the amenities of the area through which the roads run.
