**Statement of Reasons:**

It is proposed to extend the 30mph speed limit on the A383, Ware Cross to Ware Barton Roundabout introducing restricted road status (30mph speed limit by virtue of street lighting) for an additional 96 metres.

The extension of the 30mph speed limit is considered necessary to reduce the speed of traffic along the A383 from the Ware Barton roundabout approaching the residential development at Penns Mount, Kingsteignton. This is to improve road safety for all road users in the area including pedestrians and cyclists.

Specifically, the order will avoid danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising and to preserve or improve the amenities of the area through which the road runs.
