Statement of Reasons

Following the introduction of the one way on Magdalen Road it is proposed to trial an extension to the junction of Fairpark Road to mitigate the impacts of displaced traffic onto Denmark Road.

The restrictions are proposed to avoid danger to persons or other traffic using the road or for preventing the likelihood of any such danger arising, for facilitating the passage on the road or any other road of any class of traffic (including pedestrians) and for preserving or improving the amenities of the area through which the road runs.
