**Statement of Reasons**

At the request of the parish councils to improve road safety for all roads users, including pedestrians, Devon County Council are proposing 30mph speed limits for the villages of Lapford and Pennymoor.

Specifically, the restrictions are proposed to avoid danger to persons or other traffic using the road or for preventing the likelihood of any such danger arising, for facilitating the passage on the road or any other road of any class of traffic (including pedestrians) and to preserve/improving the amenities of the area through which the roads run.
