statement of reasons

North Devon District Council is proposing a new car park entrance/exit for the Bear Street Car Park, onto the A39/Alexandra Road. This would require the revocation of the waiting restriction in the existing layby, which would be replaced by a clearway to match the adjacent A39. It is also proposed to prohibit Right Turns into and out of the new access, as shown on the attached plans for safety reasons.

Specifically, the restrictions are proposed to avoid danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising, will facilitate the passage on the road of any class of traffic (including pedestrians) and will preserve or improve the amenities of the area which the road runs through.
