Statement of Reasons

Specifically, the proposed bus lane will facilitate direct access for buses from New North Road establishing a contraflow bus lane onto Sidwell Street improving the local bus services. The bus lane will include an exemption for cycles to maintain the current cycle route which promotes the use of sustainable travel modes.

As part of this scheme, it is also proposed to introduce a length of No Waiting/ No Loading At Any Time restrictions to prevent obstructive parking along this route. In addition, certain measurements in the order have been adjusted so they correspond with existing on street road markings.
