Statement of Reasons

As part of the new Road From Tower View To Dog Village Cross Footways scheme (near Clyst Vale Community) it has been agreed to deliver improvements to pedestrian/cycle facilities on the route, to improve safety for children travelling to school, as well as other pedestrians/cyclists using the road. It is proposed to introduce and extend No Waiting At Any Time restrictions to prevent obstructive parking at the new crossing point at the junction of Old Coach Road/Road from Tower View to Dog Village Cross where the width of the carriageway is narrowed down. This will improve visibility and road safety for all road users, especially for pedestrians using the crossing point.

Specifically, the restrictions are proposed to avoid danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising and will preserve or improve the amenities of the area which the road runs through.
