Statement of Reasons

It is proposed to introduce 20mph speed restriction on several roads in Dawlish with the intention that it will lead to a reduced likelihood of collisions and an improvement of local amenities.

Specifically, the restrictions are proposed to avoid danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising, will facilitate the passage on the road of any class of traffic (including pedestrians) and will preserve or improve the amenities of the area which the road runs through.
