**Statement of Reasons**

It is proposed to introduce No Waiting At Any Time restrictions, to facilitate the entrance to a new Teignbridge District Council car park to ensure visibility and to prevent obstructive parking by other road users.

Specifically, the restrictions are proposed to avoid danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising, will facilitate the passage on the road of any class of traffic (including pedestrians) and will preserve or improve the amenities of the area which the road runs through.
