### **Statement of Reasons**

It is proposed to introduce a new 20mph speed zone limit for the entire lengths of the Poltimore Drive, Hilltop Road and Victoria Close. It is proposed to introduce the new 20mph speed zone to ensure that these roads match the speed limits in the surrounding area and to improve road safety for all road users.

The restriction is proposed to avoid danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising and to preserve and improve the amenities of the area through which the roads run.
