## **Statement of Reasons**

It is proposed to install No Waiting At Any Time on the north side of Douglas Avenue where there is an existing No Waiting 9am-5pm waiting restriction. The majority of the No Waiting 9am-5pm falls within the extent of the new Puffin crossing controlled zone. After the implementation of the Puffin crossing a small section of single yellow lines of approximately 9 metres in length would remain on the eastbound approach. To ensure that the forward visibility of the controlled crossing is maintain at all times it is proposed to introduce double yellow lines on the north side of Douglas Avenue.

Specifically, the restrictions are proposed to avoid danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising, will facilitate the passage on the road of any class of traffic (including pedestrians) and will preserve or improve the amenities of the area which the road runs through.
