### **Statement of Reasons**

It is proposed to extend the existing No Waiting At Any Time restrictions, to facilitate the entrance of Pavey Run to ensure visibility and to prevent obstructive parking by other road users and to keep the crossing points clear, whilst still allowing unrestricted parking

Specifically, the restrictions are proposed to avoid danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising, will facilitate the passage on the road of any class of traffic (including pedestrians) and will preserve or improve the amenities of the area which the road runs through.
