### **Statement of Reasons**

It is proposed to advertise these restrictions as part of the wider Devon County Council Bus Service Improvement Plan. These changes have been identified as being able to make improvements to local bus service performance by improving the movement of bus services and other vehicles through these locations by removing localised pinch points.

Specifically, the restrictions are proposed to avoid danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising, will facilitate the passage on the road of any class of traffic (including pedestrians) and will preserve or improve the amenities of the area which the road runs through.
