Statement of Reasons

The proposals aim to address requests for amendments to specific traffic orders in Topsham following the extension of the Topsham T1 residents parking zone, including amendments to restrictions to ensure the Traffic Order matches what is shown on street and changes to some Pay & Display bay exemptions to improve the volume of visitor parking available close to the High Street.

Specifically, the restrictions are proposed to avoid danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising and will preserve or improve the amenities of the area which the road runs through.
