## **Statement of Reasons**

Since construction residents of Stone Barton have been experiencing issues with vehicles picking up/dropping off school children and causing obstructive parking, blocking driveways and damaging verges. It is therefore proposed to introduce a Restricted Parking Zone (Zonal No Waiting) during school pick up and drop off times to better manage traffic in the area.

A Restricted Parking Zone is proposed to remove the need for Double Yellow Lines but signs will be required as detailed on the plan.

Specifically, the restrictions are proposed to avoid danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising and will facilitate the passage on the road of any class of traffic (including pedestrians).
